Dear Men of Valor:

Grace and Peace! I am writing to tell you how pleased we have been with one of your participants we hired. When a friend of mine called me asked if I would think about hiring Daryl Samuels, I really wasn't sure what to expect; but said that I would certainly consider it. Let me say that after a year on the job, I do not have a more loyal, dedicated team-member. He does his job extremely well and goes above and beyond the call of duty on a regular basis. He is not only a hard working, conscientious team member for our company, he is also a dear brother and friend. I am extremely thankful for the opportunity to learn more about your ministry through Daryl and others and have added MOV to our corporate contributions list. We know the money will be put to good use as we enjoy the fruits of your labor on a daily basis. May God continue to bless you and your efforts to further His Kingdom through Men of Valor.

By His Grace Alone,
